

Test Execution and Edge Case Log

Tester: Joshua Yao (Dev 2)

Date: August 14, 2026

Test Scenario	Result	Reproduction Steps
Logging in with an invalid email	PASS	1. Provide an invalid email: "asdf@". 2. Provide a password: "asdf" 3. Click the 'Login' Button. 4. An error tooltip should appear: 
Attempting login with unregistered credentials	PASS	1. Fill email field with random@email.com 2. Fill password field with "Random123!" 3. Click the 'Login' Button 4. Error toast should show, not redirected to team page. 
Attempting login with incorrect password	PASS	1. Fill email field with s4040610@student.rmit.edu.au 2. Fill password field with 'invalid123' 3. Error toast should show 
Attempting login without filling in required fields	PASS	1. Click 'Login' Button

		2. Error tooltips should alert the user of required fields. 
Attempting to access the team page without logging in	PASS	1. If logged in, log out (or reset your session) 2. Change the URL in your browser to https://garage-boilerpoint-basic-my-project-delta.vercel.app/team-page 3. You should be redirected to the login page
Attempting to put an invalid/missing image onto a team member card on the teampage	FAIL	1. Run `pnpm run dev` and start a localhost instance of the project 2. Change line 21 in the team page file located at relative path: <code>frontend\src\app\dashboard\team-page\page.tsx</code> from valid image path “/joshua.jpg” to invalid image path “/asdf.jpg”. 3. The third member card should show a placeholder image. Bug Found in Step 3: Shows no image instead. 
Putting in a blurb that is over the word limit on the team page	PASS	1. Run `pnpm run dev` and start a localhost instance of the project 2. Change the “blurb:” property on line 21 in the team page file located at relative path: <code>frontend\src\app\dashboard\team-page\page.tsx</code> , append “Lorem ipsum dolor sit, amet consectetur adipisicing elit. Alias perferendis voluptatum laboriosam eaque excepturi cum voluptatem quibusdam est sequi praesentium accusantium culpa, corrupti perspiciatis. Architecto ducimus

		alias cumque dolore. Tempora?” to the end of the current blurb. 3. The third member card should truncate the blurb, using an ellipsis (...). Member card size limit should not be exceeded.  Joshua Yao Dev 2 Figuring it out as I go and making things work. Lorem ipsum dolor sit amet consectetur, adipiscing elit. Fuga porro aliquam incidunt nesciunt, ab non dolores expedita excepturi, laborum neque odio...
