

Test Happy Path Login Flow

Tester: Joshua Yao (Dev 2)

Date: August 15, 2026

Test Scenario	RESULT	Reproduction Steps
Logging in with valid credentials	PASS	1. Navigate to https://garage-boilerpoint-basic-my-project-delta.vercel.app/auth/signin 2. In the email field, enter s4040610@student.rmit.edu.au 3. In the password field, enter “Test123!” (don’t include the quotes) 4. Click the ‘Login’ button 5. A success toast should display, and you should be redirected to the team-page.  The screenshot shows a green success toast with a checkmark icon and the text "Signed in successfully". Below it is the "Team Page" which displays four team members: Andy Vo (PM), Sylvia Huynh (Dev 1), Joshua Yao (Dev 2), and Tanvi Nunna (UX). Each member has a profile picture, name, role, and a short bio.
All required content verified and complete	PASS	Team member photos, Role allocations, blurbs all confirmed present. The styling matches the style proposed by UX designer.
